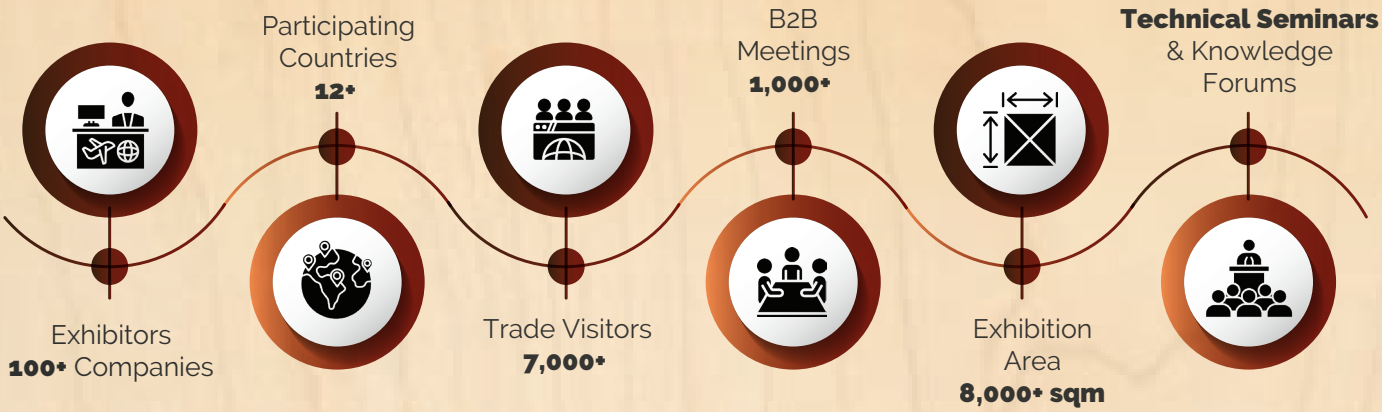
EVENT OVERVIEW

The Bangladesh Wood & Metal Expo 2025 successfully concluded as one of the leading international B2B exhibitions for the woodworking, furniture, metal, and engineering sectors in Bangladesh.
The event brought together global exhibitors, industry professionals, and key decision-makers, creating a dynamic platform for business networking, product showcasing, and technology exchange.
The exhibition reinforced its position as a key gateway to Bangladesh's rapidly growing manufacturing and construction industries.

EVENT STATISTICS



INDUSTRY REPRESENTATION

The expo showcased a comprehensive range of products and technologies across both industries:

Wood Sector

- Woodworking machinery & tools
- Furniture production technologies
- Timber, plywood & laminates
- Interior décor materials

Metal Sector

- Sheet metal processing & fabrication
- Welding & cutting technologies
- Steel & structural solutions
- Automation & industrial equipment

INTERNATIONAL PARTICIPATION

The exhibition witnessed strong participation from leading companies across:

China
India
Turkey
Germany
Italy
Bangladesh

International pavilions and exhibitors highlighted advanced technologies, innovative machinery, and high-quality materials, attracting significant attention from local buyers and distributors

BUSINESS OUTCOMES

- High volume of on-site business inquiries and deals
- Strong interest in machinery imports and technology upgrades
- New partnerships between local distributors and international brands
- Positive response from SMEs and large-scale manufacturers

Exhibitors reported excellent lead generation and meaningful business interactions throughout the event.

EXHIBITOR FEEDBACK

Participants expressed high satisfaction with:

- Quality of visitors and buyers
- Business networking opportunities
- Professional event management
- Market potential in Bangladesh

Many exhibitors confirmed their interest in participating in the next edition.

VISITOR PROFILE

The event attracted a diverse and targeted audience, including:

- Manufacturers & Factory Owners
- Engineers & Technicians
- Architects & Interior Designers
- Builders & Contractors
- Importers, Distributors & Dealers

KEY HIGHLIGHTS

- Live machinery demonstrations
- Product launches and innovations
- Technical discussions and knowledge sharing
- Strong buyer-seller engagement
- International networking platform

MARKET IMPACT

The expo played a vital role in supporting Bangladesh's growing industries by:

- Promoting modern manufacturing technologies
- Encouraging foreign investment and collaboration
- Strengthening supply chain connections
- Supporting the growth of wood, furniture and metal sectors

WHY BANGLADESH?

Post-Covid Industry Statistics (2021–2025)

Market Value & Growth
Domestic Market Valuation: The local furniture market was valued at approximately Tk 30,000 crore (USD 2.5 billion) in 2023, but it saw a decline to Tk 21,000 crore by early 2025.
Annual Growth Rates: Historically, the sector grew at 19% annually, though post-pandemic recovery has been uneven across different brands.
GDP Contribution: The furniture sector currently contributes about 0.49% to Bangladesh's GDP and accounts for 9% of total manufacturing employment.

Export Performance

Export Recovery Peak (FY 2021-22): Following the pandemic, furniture exports surged to a record $110.36 million.
Recent Fiscal Years:
FY 2022-23: Earnings dropped to $52.65 million.
FY 2023-24: Further decline to $45.7 million due to global economic headwinds.
FY 2024-25 (July–Jan): Shows a recovery trend with $26.67 million in shipments, a 13.65% increase compared to the same period last year.
Top Export Destinations (2024): India ($6.24M), United States ($3.17M), and Germany ($453k).
The Observatory of Economic Complexity

Employment & Infrastructure

Workforce: The industry employs over 2 million workers, with 80% in basic production roles.
Manufacturing Units: There are approximately 71,000 micro and small enterprises, 81 medium-sized enterprises, and roughly 16,000 sawmills operating nationwide.

Elevating the expo experience through our smart digital marketing strategies

LOOKING AHEAD

Following the success of the 2025 edition, the next edition aims to be larger and more impactful, with increased international participation, advanced technologies, and expanded business opportunities.
The expo continues to position itself as a must-attend platform for industry professionals looking to enter or expand in the Bangladesh market.
