About The Expo

The 10th Bangladesh Wood & Metal Expo 2026 is a leading international B2B exhibition dedicated to the woodworking, furniture, metal, steel, and engineering sectors. Building on the success of previous editions, the expo continues to serve as a dynamic business platform connecting global manufacturers, suppliers, and industry professionals with the rapidly growing Bangladeshi market. With cutting-edge technologies, innovative machinery, and a strong international presence, the 10th edition promises to be bigger, more impactful, and more business-driven than ever before.

About Industry

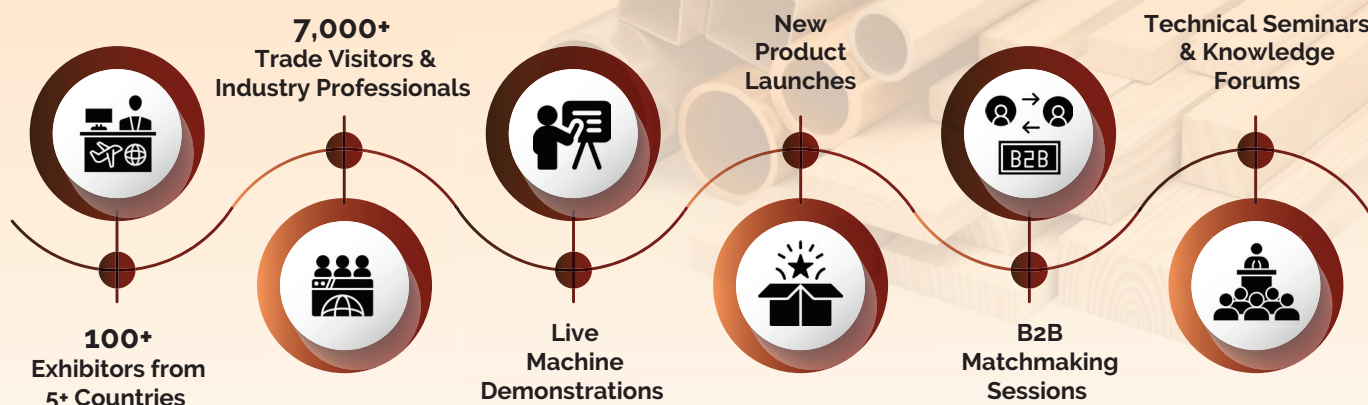

Bangladesh's wood, furniture, and metal industries are experiencing steady growth, making the country an increasingly attractive destination for global manufacturers and investors. The furniture market alone reached approximately USD 1.79 billion in 2025 and is projected to grow at a CAGR of around 3.35% through 2030, driven by rapid urbanization, rising disposable incomes, and a growing middle-class population. Bangladesh is also emerging as a promising exporter in the furniture segment, with ambitions to reach USD 500 million in exports in the coming years. This growth is closely linked to the expansion of the construction and real estate sectors, which are fuelling demand for interior products, fittings, and raw materials.

On the metal and steel side, Bangladesh's industry remains a critical backbone of infrastructure development. Steel production is estimated at around 5 million tonnes annually, supported by ongoing investments in large-scale construction, industrialization, and urban development projects. Despite short-term fluctuations due to economic conditions, the long-term outlook remains strong, with increasing demand for fabrication, welding technologies, and advanced engineering solutions.

Overall, Bangladesh is rapidly transforming into a dynamic manufacturing and industrial hub in South Asia, where the convergence of the wood, furniture, metal, and construction industries is creating significant opportunities. The rising need for modern machinery, automation, and sustainable production solutions makes the market highly attractive for international exhibitors and technology providers, positioning events like the 10th Bangladesh Wood & Metal Expo 2026 as a key gateway to this growth.

EVENT HIGHLIGHTS

WOOD EXPO SEGMENTS

Exhibitor Profile

- Woodworking Machinery & Equipment
- Furniture Production Technologies
- Timber, Veneers & Laminates
- Interior & Decorative Solutions
- Wood Cutting & Processing Tools
- Hardware & Accessories

METAL EXPO SEGMENTS

Exhibitor Profile

- Metal & Steel Fabrication
- Sheet Metal Processing
- Welding & Cutting Technologies
- Foundry & Metallurgy
- Automation & Industrial Robotics
- Surface Treatment & Finishing

VISITOR PROFILE

- Furniture Manufacturers & Exporters
- Metal & Steel Industry Professionals
- Engineers & Technical Experts
- Architects & Interior Designers
- Builders & Contractors
- Importers, Distributors & Dealers
- Government & Trade Associations

WHY EXHIBIT?

- Enter and expand in the Bangladesh market
- Showcase latest innovations to targeted buyers
- Generate high-quality business leads
- Build partnerships with distributors & agents
- Strengthen brand visibility in South Asia

WHY VISIT?

- Explore global technologies in one venue
- Source reliable suppliers & partners
- Stay updated with industry trends
- Attend expert-led seminars
- Network with key decision-makers

ORGANISED BY :

Futurex® Futurex Trade Fair and Events Pvt. Ltd.
LET'S BUILD THE FUTURE TOGETHER

We, Futurex Trade Fair & Events Pvt. Ltd., are a well-known international exhibition and corporate event organiser based in Delhi, with branch offices in Mumbai, Colombo, Kathmandu, and Dhaka. Our portfolio consists of over 220 successful international trade exhibitions and conferences across a diverse range of industries, including Electrical, Power, Lighting, Metal & Mining, Corrugation, Paper, Electric Vehicles, Wood & Woodworking, Furniture, Building & Construction, Infrastructure, Agriculture, Poultry, Plastics, Paper & Printing, Packaging, Textiles, Garments, and Education.

We aim to provide an ideal business platform through exhibitions, seminars, corporate events, and networking gatherings.
